1 The Discounts eBook

We've created this eBook as a convenient guide that allows you to access all the best Seniors deals and discounts in one place. We wanted to help simplify the often confusing information out there. These offers are all redeemable through the use of your state or territory Seniors Card.

If you don't have a card yet, don't worry! We'll provide step-by-step instructions on how to apply, what to do if you lose your card, and whom to inform of any changes to your personal details.

You'll also find pertinent information on government concessions you may be eligible for, as well as transport deals available to seniors in each region.

2 The Daily Newsletter

As a member of the Seniors Discount Club, you'll receive our daily newsletter containing fun tidbits for you to enjoy over your morning cuppa. Between Monday and Friday, you can also sign up to receive our afternoon newsletter which features breaking news, as well as brainteasers, games and deals.

3 The SDC Website

Let's face it – most mainstream social media platforms force you to scroll through pages and pages of irrelevant content before you find a post or two that you enjoy. Our site is a great alternative that allows you to engage with other Aussie seniors in a fun, safe, online environment.

Seniors Discount Club

You'll find threads with helpful gardening tips, budget-friendly recipes, and stunning photographs taken by our very own members – and that's just the tip of the iceberg! You're welcome to share and comment on absolutely anything and everything you find interesting. Stay as anonymous as you'd like and earn awards and badges for the content you post.

You'll also have the option to participate in our regular competitions, where the winner walks away with a $100 Coles, Woolies or IGA voucher.

Signing up is optional, so if you'd like to see what the website has to offer you, click here.

Save on Health Insurance

We have partnered with a new comparison service called Compare Club, and we believe it's perfect for those looking for extra savings on their household budget.

Health insurance premiums rose multiple times in 2022, 2023, 2024, and we expect to see them rise yet again in April 2025. This follows a series of annual increases since 2010. Now is the perfect time to check that you are getting the best possible price for appropriate health cover.

Health Insurance Premium Increases in 2021, 2022, 2023 & 2024

The table below shows that some funds (which we cannot name here) are increasing their premiums by 4 times as much as other funds. You can talk to one of Compare Club's advisors for the full details.

Funds	2021	2022	2023	2024	Total
Fund 1	5.47%	5.33%	5.28%	5.82%	**21.90%**
Fund 2	0.94%	3.62%	4.49%	3.95%	**13.00%**
Fund 3	4.43%	3.34%	3.17%	2.53%	**13.47%**
Fund 4	3.74%	3.74%	3.18%	2.97%	**13.63%**
Fund 5	3.93%	3.33%	3.48%	1.00%	**11.74%**
Fund 6	4.26%	2.91%	4.46%	4.51%	**16.14%**
Fund 7	3.90%	3.27%	2.79%	1.63%	**11.59%**
Fund 8	4.36%	2.66%	2.72%	4.10%	**13.84%**

Health insurance premiums have increased by 336% in the last 20 years, far outstripping the rate of inflation. With such regular rate rises, it's absolutely essential to review your cover every 12 months. *Source: The Guardian / Australian Bureau Statistics.*

Many older Aussies don't realise they are paying significantly higher prices for their health fund to cover extras they will never use. Selecting your preferred coverage options with this service will show you health funds with cover that are right for you – at the best prices available.

Are you ready to take control of your health insurance premiums and see how much you could save by switching? The Seniors Discount Club is working with Compare Club, so you can compare big brand health insurance policies side by side, saving you time and money. Save on Your Energy Bill

(NSW, SA, QLD, VIC & ACT only)

If you're a senior, **this tip could save you hundreds off your next bill,** whether you're a homeowner or a renter. Many of Australia's energy market regulators recommend that older Australian energy customers review their bills annually. This is because energy providers have been able to change rates without informing their customers. If you're a loyal customer, and you've been on the same plan for more than five years, **you could be paying hundreds of dollars more than someone who has just signed up.**

With prices on the rise, older Aussies deserve the chance to find a better deal. Why should you pay more for the exact same thing, simply because you're not a market expert?

Hot tip: Use a comparison service, like Electricity and Gas Comparison that rewards senior switchers by giving them access to no-markup policies from energy providers across Australia. An energy comparison service makes it easy to find the best deals in your area. This makes comparison shopping for energy easy and, **best of all, it's totally cost and obligation-free.**

Frequently Asked Questions

Do I get a Seniors Card from the Seniors Discount Club?

No. The discounts featured in this eBook are all available using your **government-issued** Seniors Card. You'll find more information on how to apply for one under the relevant section for your state or territory below.

Many of the other discounts we feature in our daily newsletter and on our forum are freely available to the public. This includes the weekly deals from Coles, Woolworths, and ALDI.

Can I get a hard copy of this book?

The discount book is only available electronically, but printing isn't a necessity since you'll simply need to present your Seniors Card at the relevant outlet to take advantage of the discount you are interested in.

Why haven't I received my health insurance quote yet?

The health insurance quotes are provided by telephone, so you should receive a call within a few days of placing the request. If you haven't been contacted within a week, you're welcome to reach out to us at contact@seniorsdiscountclub.com.au or call Health Insurance Comparison on 1300 757 819 for immediate assistance.

A discount listed here wasn't honoured by a business - what do I do?

Unfortunately, businesses start and stop discounts all the time without informing us. If you've tried to use one of the discounts listed in our eBook and been unsuccessful, please let us know by contacting us at contact@seniorsdiscountclub.com.au. We'll investigate and update our records.

How to Get the Most Out of Your Seniors Card

- Always check the standard retail price before asking for the discount or presenting your card.
- Have your Seniors Card number ready when making a booking or asking for a quote over the phone.
- Help to support the growth of the Seniors Card program by encouraging businesses in your local area to join.
- Shop around and compare prices on big-ticket items. Just because you can get a discount somewhere doesn't mean it will be the best price around.
- Present your card before payment in retail stores, cafes, and restaurants.
- Always ask if the business offers a Seniors Card discount before purchasing.
- If you find out that a business does offer a Seniors Card discount but there is no promotional material, let them know they can order promotional material from the relevant Seniors Card website free of charge. This will encourage more seniors to shop there.

The Seniors Connected Program

This is a government-run programme aimed at addressing loneliness in the older Australian community. The Seniors Connected Programme is a social outlet for those who may not have close friends or family living nearby and allows seniors to connect with each other.

These are its two main initiatives:

FriendLine

FriendLine is a service operated by volunteers who offer friendly chats over the phone. The number is completely free to call and can be dialled between 10 AM and 8 PM daily. Call 1800 4 CHATS to speak to someone or visit the FriendLine website for more information.

Village Hubs

Village Hubs exist to connect seniors (people over the age of 55) with each other in person. There are a number of hubs nationwide, so you can visit https://www.ilaustralia.org.au/villagehubs to find the one closest to you. Alternatively, send an email to general@ilaustralia.org.au or call them at 08 6202 4700.

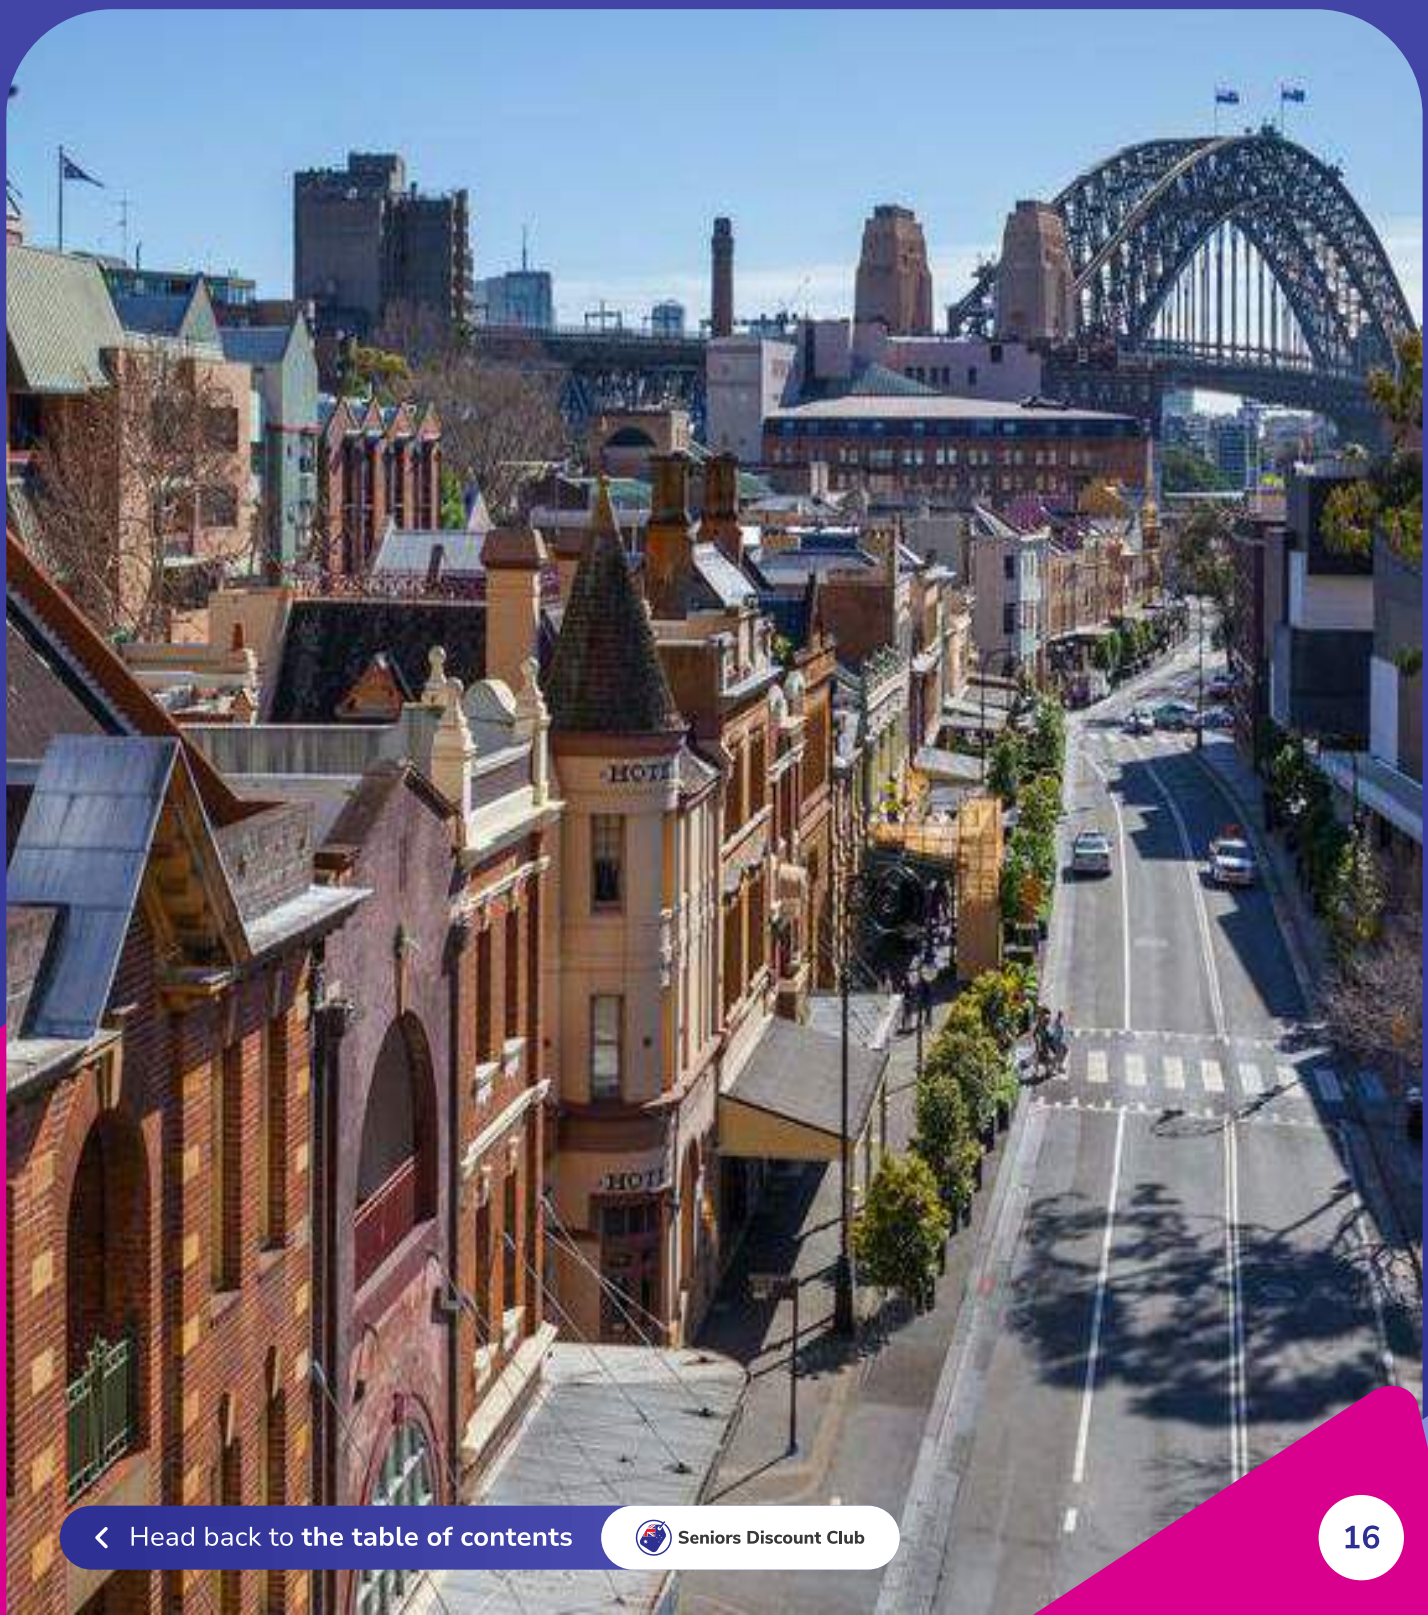
STATE

New South Wales



Who is entitled to a New South Wales Seniors Card?

There are two cards available to Seniors in NSW, the Seniors Card and the Senior Savers card.

Eligibility for NSW Seniors Card

The ACT is the first jurisdiction to link with the NSW Opal Card. This gives you access to concessional fares in NSW.

- ✓ 60 or over
- ✓ Permanent resident of NSW
- ✓ Doing **20 HOURS OR LESS of paid work a week** on average across 12 months (1,040 or fewer hours over the course of a year).

Eligibility for the Senior Savers Card

The ACT is the first jurisdiction to link with the NSW Opal Card. This gives you access to concessional fares in NSW.

- ✓ 60 or over
- ✓ Permanent resident of NSW
- ✓ Doing **MORE THAN 20 HOURS of paid work a week** on average across 12 months (over 1,040 hours over the course of a year).

If you reduce your paid employment to 20 hours a week or less (averaged over 12 months), or you retire completely, you can convert your Senior Savers Card to a Seniors Card.

Benefits

Holders of both cards get:

- Discounts and deals at over 7,000 businesses state-wide.
- Reciprocal rights in other states - just show your card and ask whether they offer a discount.
- Access to exclusive offers, competitions, and more.
  Monthly email updates from the Seniors Card e-newsletter.

Seniors Cardholders also get:

A Gold Opal Card - holders are entitled to transport concessions in NSW and some other states.

Transport discounts with a Gold Opal Card

Gold Opal cards allow holders to travel on the metro, train, bus, ferry and light rail within the Opal network as much as they like and never pay more than $2.50 each day.

Private ferry trips may be more expensive due to the individual operators setting fares and ticket terms.

Frequently Asked Questions

What is the Seniors Card programme?

The programme was introduced in 1992 to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

What is the Senior Savers programme?

The Senior Savers card was introduced much later (July 2019), for over 60s that are not yet eligible for a Seniors Card as they are working more than 20 hours per week. Holders of the Senior Savers card get access to the same business discounts but are not yet eligible for certain government concessions or discounts on public transport.

Do I need both cards?

No, you will either be entitled to the Seniors Card or the Senior Savers card, having both cards has no extra benefit.

Where can I find out about available discounts?

Thousands of businesses have signed up to offer discounts. Click here to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

What should I do if I have lost my Seniors card?

If your NSW Seniors Card or NSW Senior Savers Card has been lost, stolen or destroyed, you can replace it online. You can do this by clicking the button below.

Replace Online >

You will need to enter your details. You will also be asked for your Seniors Card or Senior Savers Card number, but you can still order a replacement if you don't have this number.

How do I change my personal details?

If you have moved or if your registered details have changed, you can update them online or by calling 13 77 88.

Can I use my card interstate or overseas?

Each Australian state and territory has its own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for NSW Seniors Card holders before making a purchase.

Holders of both the NSW Seniors Card and the NSW Senior Savers card have access to discounts and special offers on goods and services from some businesses involved in the New Zealand SuperGold Program. (This does not include transport concessions).

Look for the 'SuperGold Cards Welcome' stickers when travelling in New Zealand, and ask if they also accept the NSW Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in NSW?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Where can I find more information?

Visit the NSW Seniors Card website.

What government concessions am I eligible for?

If you hold a New South Wales Seniors Card, you may also be eligible to access some NSW Government Concessions.

Some of these include:

- The NSW Spectacles Program - https://www.service.nsw.gov.au/transaction/apply-nsw-spectacles-program. Some people who may be at risk of a preventable decline in their eye health may be eligible for glasses and visual aids.
- Pensioner water rebate - https://www.service.nsw.gov.au/transaction/pensioner-water-rebate. If you receive a pension, you may qualify for a rebate on your water bill.
- Patients and carers may be eligible for concession rates on parking at NSW public hospitals - https://www.service.nsw.gov.au/transaction/concession-car-parking-nsw-public-hospitals.

You can click on the above links to see if you meet the eligibility requirements and apply.

Looking for more discounts?

We've jam-packed this eBook with as many deals as we could, but there are thousands more available on the NSW website. Here's how you can find the right discounts for you.

Click here to visit the NSW discounts directory. You'll need to type in your postcode and select 'Find My Discounts'. You'll also have the option to filter according to the category you're interested in.

If you'd like to view all available discounts in your region, it may take a bit longer, but you do have the option to download the relevant PDF directory for your area.

How Older Aussies Can Stop Missing Out on Health Cover Savings

Aussies aged between 56 and 74 are missing out on health insurance savings every year.

You could save up to $320* on your health insurance.

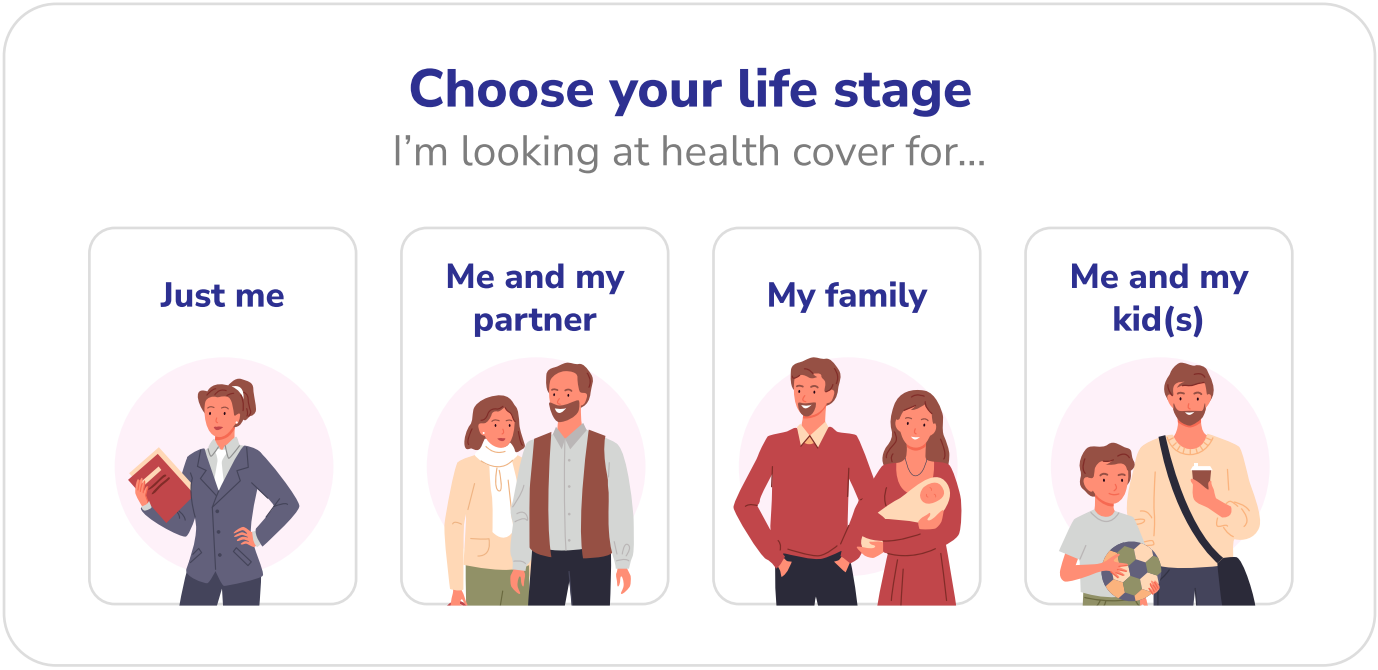
We'll get straight to the point: **You're almost certainly overpaying for your health insurance.** Over the last five years the experts at Compare Club have saved Australians an average of $320 when they've compared and switched health cover.*

When was the last time you checked what services your health insurance cover includes? Everyday, we see older Australians paying expensive health insurance premiums for services they'll never need, like couples aged 50+ paying hundreds of dollars more for pregnancy and IVF cover.

You might also be a victim of 'premium creep'. While it's true that most policies get more expensive over time, funds increase their premiums at drastically different rates. For example, there have been multiple health insurance rate rises for some health insurers over the COVID period, with other health insurers only raising their rates once or twice.

Here's How You Do It:

Step 1: Select your current life stage below.
Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.



The Seniors Discount Club is working with Compare Club to provide a free health insurance comparison service that shows mature Aussies and retirees where to make big savings without compromising on cover and how to avoid paying for cover they don't need.

Our service saves you time, but the biggest benefit for most is how much money you can save off your yearly premiums, in fact, over the last five years our experts have saved Australians an average of $320 when they've compared and switched their health cover.*
