1 The Discounts eBook

We've created this eBook as a convenient guide that allows you to access all the best Seniors deals and discounts in one place. We wanted to help simplify the often confusing information out there. These offers are all redeemable through the use of your state or territory Seniors Card.

If you don't have a card yet, don't worry! We'll provide step-by-step instructions on how to apply, what to do if you lose your card, and whom to inform of any changes to your personal details.

You'll also find pertinent information on government concessions you may be eligible for, as well as transport deals available to seniors in each region.

2 The Daily Newsletter

As a member of the Seniors Discount Club, you'll receive our daily newsletter containing fun tidbits for you to enjoy over your morning cuppa. Between Monday and Friday, you can also sign up to receive our afternoon newsletter which features breaking news, as well as brainteasers, games and deals.

Too many emails? That's okay, you can opt to only receive the morning newsletter, or even just one email a week (on Sundays).

We welcome member input, so if you'd like to contribute something you think other members will enjoy, feel free to reach out to us at any time. Here's a sneak peek into what you can expect from the Daily Newsletter:

- **Yesterday's Australia** - Remember the Milk Man? The Aussie Garbo? We love reminiscing on Australian nostalgia so we'll bring you a new memory each day.
- **News Stories** - Get the top stories of each day delivered straight into your inbox, so you can stay on top of what's happening here in Australia and worldwide.

3 The SDC Website

Let's face it – most mainstream social media platforms force you to scroll through pages and pages of irrelevant content before you find a post or two that you enjoy. Our site is a great alternative that allows you to engage with other Aussie seniors in a fun, safe, online environment.

Seniors Discount Club

You'll find threads with helpful gardening tips, budget-friendly recipes, and stunning photographs taken by our very own members – and that's just the tip of the iceberg! You're welcome to share and comment on absolutely anything and everything you find interesting. Stay as anonymous as you'd like and earn awards and badges for the content you post.

You'll also have the option to participate in our regular competitions, where the winner walks away with a \$100 Coles, Woolies or IGA voucher.

Signing up is optional, so if you'd like to see what the website has to offer you, click [here](#).

Save on Health Insurance

We have partnered with a new comparison service called Compare Club, and we believe it's perfect for those looking for extra savings on their household budget.

Health insurance premiums rose multiple times in 2022, 2023, 2024, and we expect to see them rise yet again in April 2025. This follows a series of annual increases since 2010. Now is the perfect time to check that you are getting the best possible price for appropriate health cover.

Health Insurance Premium Increases in 2021, 2022, 2023 & 2024

The table below shows that some funds (which we cannot name here) are increasing their premiums by 4 times as much as other funds. You can talk to one of Compare Club's advisors for the full details.

Funds	2021	2022	2023	2024	Total
Fund 1	5.47%	5.33%	5.28%	5.82%	21.90%

Health insurance premiums have increased by 336% in the last 20 years, far outstripping the rate of inflation. With such regular rate rises, it's absolutely essential to review your cover every 12 months.

Many older Aussies don't realise they are paying significantly higher prices for their health fund to cover extras they will never use. Selecting your preferred coverage options with this service will show you health funds with cover that are right for you – at the best prices available.

Save on Your Energy Bill

(NSW, SA, QLD, VIC & ACT only)

If you're a senior, **this tip could save you hundreds off your next bill**, whether you're a homeowner or a renter. Many of Australia's energy market regulators recommend that older Australian energy customers review their bills annually. This is because energy providers have been able to change rates without informing their customers. If you're a loyal customer, and you've been on the same plan for more than five years, **you could be paying hundreds of dollars more than someone who has just signed up.**

With prices on the rise, older Aussies deserve the chance to find a better deal. Why should you pay more for the exact same thing, simply because you're not a market expert?

Hot tip: Use a comparison service, like [Electricity and Gas Comparison](#) that rewards senior switchers by giving them access to no-markup policies from energy providers across Australia. An energy comparison service makes it easy to find the best deals in your area. This makes comparison shopping for energy easy and, **best of all, it's totally cost and obligation-free.**

Frequently Asked Questions

Do I get a Seniors Card from the Seniors Discount Club?

No. The discounts featured in this eBook are all available using your **government-issued** Seniors Card. You'll find more information on how to apply for one under the relevant section for your state or territory below.

Many of the other discounts we feature in our daily newsletter and on our forum are freely available to the public. This includes the weekly deals from Coles, Woolworths, and ALDI.

Can I get a hard copy of this book?

The discount book is only available electronically, but printing isn't a necessity since you'll simply need to present your Seniors Card at the relevant outlet to take advantage of the discount you are interested in.

Why haven't I received my health insurance quote yet?

The health insurance quotes are provided by telephone, so you should receive a call within a few days of placing the request. If you haven't been contacted within a week, you're welcome to reach out to us at contact@seniorsdiscountclub.com.au or call Health Insurance Comparison on 1300 757 819 for immediate assistance.

A discount listed here wasn't honoured by a business - what do I do?

Unfortunately, businesses start and stop discounts all the time without informing us. If you've tried to use one of the discounts listed in our eBook and been unsuccessful, please let us know by contacting us at contact@seniorsdiscountclub.com.au. We'll investigate and update our records.

How to Get the Most Out of Your Seniors Card

- ✓ Always check the standard retail price before asking for the discount or presenting your card.
- ✓ Have your Seniors Card number ready when making a booking or asking for a quote over the phone.
- ✓ Help to support the growth of the Seniors Card program by encouraging businesses in your local area to join.
- ✓ Shop around and compare prices on big-ticket items. Just because you can get a discount somewhere doesn't mean it will be the best price around.
- ✓ Present your card before payment in retail stores, cafes, and restaurants.
- ✓ Always ask if the business offers a Seniors Card discount before purchasing.
- ✓ If you find out that a business does offer a Seniors Card discount but there is no promotional material, let them know they can order promotional material from the relevant Seniors Card website free of charge. This will encourage more seniors to shop there.

The Seniors Connected Program

This is a government-run programme aimed at addressing loneliness in the older Australian community. The Seniors Connected Programme is a social outlet for those who may not have close friends or family living nearby and allows seniors to connect with each other.

These are its two main initiatives:

✓ FriendLine

FriendLine is a service operated by volunteers who offer friendly chats over the phone. The number is completely free to call and can be dialled between 10 AM and 8 PM daily. Call 1800 4 CHATS to speak to someone or visit the [FriendLine](#) website for more information.

✓ Village Hubs

Village Hubs exist to connect seniors (people over the age of 55) with each other in person. There are a number of hubs nationwide, so you can visit <https://www.ilaustralia.org.au/villagehubs> to find the one closest to you. Alternatively, send an email to general@ilaustralia.org.au or call them at 08 6202 4700.

Frequently asked questions

What is the Seniors Card programme?

The programme was introduced to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

What is the Senior Business Discount Card programme?

The Senior Savers card was introduced later. This card is for people over 60 years of age that are not yet eligible for a Seniors Card as they are working more than 35 hours per week. Holders of the Senior Business Discount Card get access to the same business discounts but are not yet eligible for certain government concessions or discounts on public transport.

Do I need both cards?

No, you will either be entitled to the Seniors Card or the Seniors Business Discount Card, having both cards has no extra benefit.

Where can I find out about available discounts?

Hundreds of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

I am visiting from interstate or overseas. Can I use my card in QLD?

Use the [online discount directory](#) to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

What government concessions am I eligible for?

If you hold a Queensland Seniors Card or Seniors Card +go, you may also be eligible to access [Queensland Government concessions](#).

Some of these include:

- Concessions that can reduce the cost of registering a vehicle or boat in Queensland for eligible applicants. <https://www.qld.gov.au/transport/registration/fees/concession/about>
- Discount on a Stocked Impoundment Permit Scheme (SIPS). There are 63 impoundments (dams and weirs) in Queensland that require a SIPS permit to fish with a line. With a Seniors Card you will pay \$36 per year as opposed to \$50. <https://www.qld.gov.au/recreation/activities/boating-fishing/rec-fishing/dams>
- Discount on Queensland rail travel to improve the affordability of long-distance and urban rail services. On presentation of a current Australian state or territory Government Seniors Card, customers will receive a discount of up to 50% off the full adult rail fare on Queensland Rail Travel network services. <https://www.queenslandrailtravel.com.au/PolicyCentre/Pages/Eligibleforconcessions.aspx>

Got health insurance? Your premiums have likely increased multiple times over the past 24 months. But now you can get cover from \$23.73 a week.*

Aussies eligible for latest government rebates get **health cover from just \$3.39 per day***

Little known health insurance rebates allow eligible Australians to get hospital & extras cover for \$23.73 per week*.

In 2025, the Australian Government is rebating up to 32.8% of the cost of your health insurance policy depending on factors like age and income level. We can help you figure out how much of a rebate you're entitled to.

Health insurance rates went up multiple times last year. Those increases occurred during a year that saw the average price of living skyrocket and the average Aussie can barely keep up.

But what few people realise is that there are government rebates out there that could save you hundreds of dollars per year on your cover. For eligible Aussies, the starting cost of a combined hospital & extras policy comes in at \$23.73 per week* (or \$3.39 per day) once the rebate has been claimed.

The Government is currently paying up to 32.8% of your policy depending on your age, income level, marital status, and cover history. If you're not claiming this rebate you could be leaving hundreds of dollars on the table every year.

Talk to an advisor now and find out if you're eligible for the rebate and find out how much you could be saving.

Here's How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Health insurance from just a few dollars a day - what's the catch?

No, it's not a scam. And no, it's not magic. In fact, it's incredibly simple. You tell us what types of cover are important to you (often things like hip and knee replacements, dental and optical) and what types of cover aren't important (often things like pregnancy, IVF, and orthodontics). Then we go out and try to find you a policy without any 'fat' - just one that meets your requirements.

'Over the years, I've spoken to hundreds of hardworking Australians who were unknowingly paying for cover they didn't need,' says Andrew Davis, CEO of Compare Club.

'It's not at all uncommon to speak to people in their 50's, 60's, and beyond, who are still paying for things like pregnancy cover, orthodontics, and IVF.'

Over the last five years Compare Club's experts have saved Australians an average of \$320** when they've compared and switched health cover. It's as simple as that and it's one of the many reasons we have partnered with them. They also do not charge any hidden fees or mark up the cost of their policies - they all come directly from the insurers themselves.

We handle all the switching paperwork for you, so you won't need to have any awkward conversations with your old fund. And all policies come with a 30 day cooling off period, so there's no need to worry about buyer's remorse.

Get Started Now:

Step 1: Select your state below.

Step 2: After answering a few questions, you will have the opportunity to compare quotes in your area and could be eligible for significant savings.

*\$3.20 per day or \$22.40/week these daily and/or weekly figures are based on a Bupa Basic Accident Only Hospital with Freedom 60 Extras policy with a \$750 excess, which has a monthly cost of \$97.52 in NSW for a single individual aged 70+ (assuming the maximum possible government rebate) as of 09/12/2022.

**The \$320 figure is based on the fact that over the last five year Compare Club has saved Australians an average of \$320 when they have compared and switched health cover through them.

One membership. Countless ways to save.

At the Seniors Discount Club, we believe you deserve more value for your money — every single day. That's why we've partnered with trusted services to help you cut costs, simplify your choices, and live smarter
