You'll also find pertinent information on government concessions you may be eligible for, as well as transport deals available to seniors in each region.

3 The SDC Website

Let's face it – most mainstream social media platforms force you to scroll through pages and pages of irrelevant content before you find a post or two that you enjoy. Our site is a great alternative that allows you to engage with other Aussie seniors in a fun, safe, online environment.

Seniors Discount Club

You'll find threads with helpful gardening tips, budget-friendly recipes, and stunning photographs taken by our very own members – and that's just the tip of the iceberg! You're welcome to share and comment on absolutely anything and everything you find interesting. Stay as anonymous as you'd like and earn awards and badges for the content you post.

You'll also have the option to participate in our regular competitions, where the winner walks away with a \$100 Coles, Woolies or IGA voucher.

Signing up is optional, so if you'd like to see what the website has to offer you, click [here](#).

Save on Health Insurance

We have partnered with a new comparison service called Compare Club, and we believe it's perfect for those looking for extra savings on their household budget.

Health insurance premiums rose multiple times in 2022, 2023, 2024, and we expect to see them rise yet again in April 2025. This follows a series of annual increases since 2010. Now is the perfect time to check that you are getting the best possible price for appropriate health cover.

Health Insurance Premium Increases in 2021, 2022, 2023 & 2024

The table below shows that some funds (which we cannot name here) are increasing their premiums by 4 times as much as other funds. You can talk to one of Compare Club's advisors for the full details.

Funds	2021	2022	2023	2024	Total
Fund 1	5.47%	5.33%	5.28%	5.82%	21.90%
Fund 2	0.94%	3.62%	4.49%	3.95%	13.00%
Fund 3	4.43%	3.34%	3.17%	2.53%	13.47%
Fund 4	3.74%	3.74%	3.18%	2.97%	13.63%

Fund 8	4.36%	2.66%	2.72%	4.10%	13.84%

Health insurance premiums have increased by 336% in the last 20 years, far outstripping the rate of inflation. With such regular rate rises, it's absolutely essential to review your cover every 12 months.

Many older Aussies don't realise they are paying significantly higher prices for their health fund to cover extras they will never use. Selecting your preferred coverage options with this service will show you health funds with cover that are right for you – at the best prices available.

Are you ready to take control of your health insurance premiums and see how much you could save by switching? Save on Your Energy Bill

(NSW, SA, QLD, VIC & ACT only)

If you're a senior, **this tip could save you hundreds off your next bill**, whether you're a homeowner or a renter. Many of Australia's energy market regulators recommend that older Australian energy customers review their bills annually. This is because energy providers have been able to change rates without informing their customers. If you're a loyal customer, and you've been on the same plan for more than five years, **you could be paying hundreds of dollars more than someone who has just signed up.**

With prices on the rise, older Aussies deserve the chance to find a better deal. Why should you pay more for the exact same thing, simply because you're not a market expert?

Hot tip: Use a comparison service, like [Electricity and Gas Comparison](#) that rewards senior switchers by giving them access to no-markup policies from energy providers across Australia. An energy comparison service makes it easy to find the best deals in your area. This makes comparison shopping for energy easy and, **best of all, it's totally cost and obligation-free.**

Frequently Asked Questions

Do I get a Seniors Card from the Seniors Discount Club?

No. The discounts featured in this eBook are all available using your **government-issued** Seniors Card. You'll find more information on how to apply for one under the relevant section for your state or territory below.

Many of the other discounts we feature in our daily newsletter and on our forum are freely available to the public. This includes the weekly deals from Coles, Woolworths, and ALDI.

Can I get a hard copy of this book?

The discount book is only available electronically, but printing isn't a necessity since you'll simply need to present your Seniors Card at the relevant outlet to take advantage of the discount you are interested in.

Why haven't I received my health insurance quote yet?

The health insurance quotes are provided by telephone, so you should receive a call within a few days of placing the request. If you haven't been contacted within a week, you're welcome to reach out to us at contact@seniorsdiscountclub.com.au or call Health Insurance Comparison on 1300 757 819 for immediate assistance.

A discount listed here wasn't honoured by a business - what do I do?

Unfortunately, businesses start and stop discounts all the time without informing us. If you've tried to use one of the discounts listed in our eBook and been unsuccessful, please let us know by contacting us at contact@seniorsdiscountclub.com.au. We'll investigate and update our records.

How to Get the Most Out of Your Seniors Card

✓ Always check the standard retail price before asking for the discount or presenting your card.

✓ Have your Seniors Card number ready when making a booking or asking for a quote over the phone.

✓ Help to support the growth of the Seniors Card program by encouraging businesses in your local area to join.

✓ Shop around and compare prices on big-ticket items. Just because you can get a discount somewhere doesn't mean it will be the best price around.

✓ Present your card before payment in retail stores, cafes, and restaurants.

✓ Always ask if the business offers a Seniors Card discount before purchasing.

✓ If you find out that a business does offer a Seniors Card discount but there is no promotional material, let them know they can order promotional material from the relevant Seniors Card website free of charge. This will encourage more seniors to shop there.

The Seniors Connected Program

This is a government-run programme aimed at addressing loneliness in the older Australian community. The Seniors Connected Programme is a social outlet for those who may not have close friends or family living nearby and allows seniors to connect with each other.

These are its two main initiatives:

✓ FriendLine

FriendLine is a service operated by volunteers who offer friendly chats over the phone. The number is completely free to call and can be dialled between 10 AM and 8 PM daily. Call 1800 4 CHATS to speak to someone or visit the [FriendLine](#) website for more information.

✓ Village Hubs

Village Hubs exist to connect seniors (people over the age of 55) with each other in person. There are a number of hubs nationwide, so you can visit <https://www.ilaustralia.org.au/villagehubs> to find the one closest to you. Alternatively, send an email to general@ilaustralia.org.au or call them at 08 6202 4700.

Frequently asked questions

What is the Seniors Card programme?

The programme was introduced to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

Where can I find out about available discounts?

Hundreds of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

What should I do if I have lost my card?

Call: 1800 819 961

Email: seniorcard@sa.gov.au

There is no charge to replace a card, a new one will be sent out to you and the old one cancelled. If there was any remaining balance on your Metrocard, it will automatically be transferred to the new card.

How do I update my personal details?

If your personal details change (address, name, employment status etc) you'll need to notify the SA Seniors Card team.

You can do that [online here](#).

Call: 1800 819 961

Email: seniorcard@sa.gov.au

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for SA Seniors Card holders before making a purchase.

Holders of the SA Seniors Card have access to discounts and special offers on goods and services from some businesses involved in the [New Zealand SuperGold Program](#). (This does not include transport concessions).

Look for the 'SuperGold Cards Welcome' stickers when travelling in New Zealand, and ask if they also accept the South Australia Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

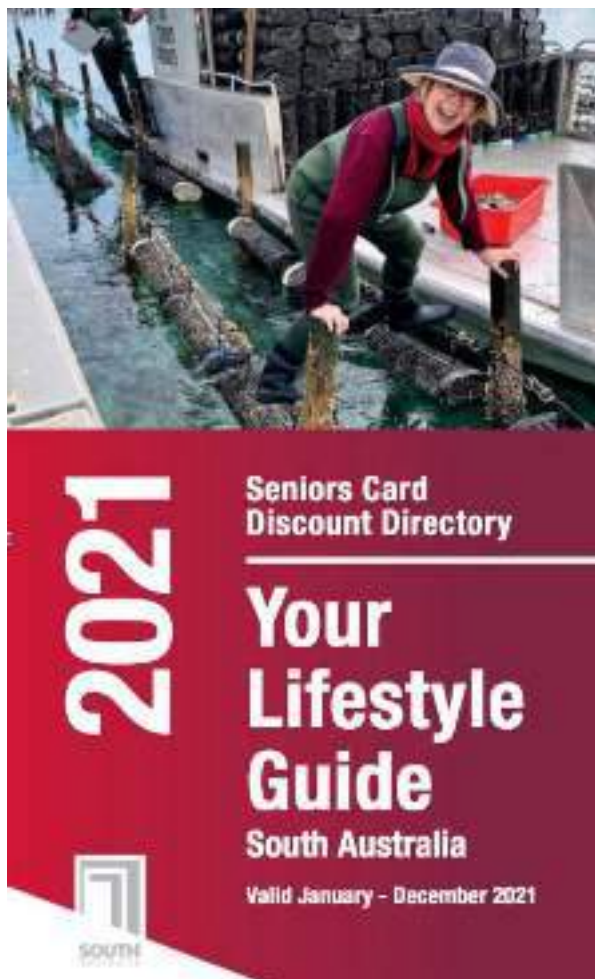

I am visiting from interstate or overseas. Can I use my card in SA?

Use the [online discount directory](#) to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Looking for more discounts?

We've jam-packed this eBook with as many deals as we could, but there are thousands more available on the SA website. Here's how you can find the right discounts for you.

The SA discount directory isn't searchable, so you'll need to [download](#) the full guide and select the category you're looking for from the table of contents.

seniors to save?

Could these new health insurance policies from just \$3.39* per day be right for you?

Now you can get Hospital AND Extras cover for just a few dollars a day.

If you haven't reviewed your health insurance in more than 12 months, there's a very good chance you're overpaying for your cover. This Australian owned and operated comparison service has saved people an average of \$320** when they've compared and switched their health insurance over the last 5 years.

Health insurance from just a few dollars a day – what's the catch?

No, it's not a scam. And no, it's not magic. In fact, it's incredibly simple. You tell us what types of cover are important to you (often things like hip and knee replacements, dental and optical) and what types of cover aren't important (often things like pregnancy, IVF, and orthodontics). Then we go out and try to find you a policy without any 'fat' - just one that meets your requirements.

‘Over the years, I’ve spoken to hundreds of hardworking Australians who were unknowingly paying for cover they didn’t need,’ says Andrew Davis, CEO of Compare Club, our trusted health insurance comparison partner.

‘It’s not at all uncommon to speak to people in their 50s, 60s, and beyond, who are still paying for things like pregnancy cover, orthodontics, and IVF.’

In the last five years the experts at Compare Club have saved the average Aussie \$320** when they compared and switched their health cover. It’s as simple as that and it is one of the main reasons we have partnered with Compare Club. They also do not charge any hidden fees or mark up the cost of their policies – they all come directly from the insurers themselves.

They handle all the switching paperwork for you, so you won’t need to have any awkward conversations with your old fund. And all their policies come with a 30 day cooling off period, so there’s no need to worry about buyer’s remorse.

Here’s How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Choose your life stage

I’m looking at health cover for...

Just me

Me and my partner

My family

Me and my kid(s)

There's a reason Aussies are stuck paying higher premiums for health insurance they don't need. According to Dr Anthony Bartone, Federal President of the Australian Medical Association, people are dropping their health cover due to the confusion in understanding what they are paying for, and the difficulty the average Aussie faces when trying to save money by switching health insurance policies.

Here are some tips to help you with switching your health cover, saving money and avoiding any confusion around what you're paying for:

- **Know your needs:** There are two different categories of private health insurance: hospital cover and extras cover. Hospital cover is for in-hospital expenses like accommodation, medicine, and doctor fees. Extras cover includes necessary services that are outside of hospital cover, like dental, optical, chiropractic and physiotherapy care. Unsure what you need? Compare Club's experts can provide you with a more in-depth look at what you really need and help you make a more personalised cover to suit your situation.
- **Don't just set it and forget it:** Regularly check-up on your health insurance needs and consider what you may need for the future. Remember, when switching health cover, you're protected by law when it comes to waiting periods. If you're switching to hospital cover that offers an equal or lower level of coverage, insurers cannot make you re-serve any additional waiting periods. On the other hand, if you're increasing benefits or changing extras cover, certain waiting periods may apply – but health funds sometimes run special offers that waive some waiting periods altogether.
- **Shop around:** there are different levels of insurance policies for hospital cover and extras cover. We recommend using our free comparison service and the help of our team of experts to compare different health funds, prices and levels of cover.
